God’s Word

Read: John 10:7-18 “Jesus the Good Shepherd”

This is the word of the Lord. Thanks be to God.

Reflection

Jesus is life. Jesus, the good shepherd, says that he saves his sheep so that they may have life, and a more abundant life. A more abundant life includes the different aspects of life – our spiritual life, our social life, our physical and mental wellness, and our emotional wellbeing. All of these aspects of our life are inter-related. If we are suffering in one area, other areas may also be affected. When we fix our eyes on Jesus Christ he feeds us, sets us on the right path and leads us to a life of love, joy and peace. He teaches us to care for other people and he strengthens us for the work he has prepared for us to do. In response to Jesus’ love for us we grow in love for him and for the people we meet in our daily lives.

Prayer

Lord God, thank you for teaching us what is good. Lead us in the right ways to think and speak and act. We are sorry that we have not always been completely honest and that we have not always helped other people to keep and improve what they have been given by you. Help us to look after our neighbour and to help them to improve what they have without self-interest or wanting to gain anything for ourselves. In Jesus’ name we pray. Amen.

Blessing

May the Lord be with us and look after us. Amen.
